Introducing An Expression Of Creativity With Functional Excellence

Our Tiles strives to be the most demanded and distinguished manufacturer and exporter of tiling solutions in local and global markets. The team is highly dedicated while helping and consulting our clientele and customers right. We will be a noticeable manufacturer of porcelain tiles in the forthcoming years by offering the customer's best-fitted tiling solution for their residential or commercial space.

We strive to provide high-end tiling options centered on the customers' project requisites. Our Tiles, a quality maintenance unit, follows two-way quality inspections at every step of the porcelain tiles production cycle, including an automatic and manual approach for evaluating each produced tiles by sticking to a rigorous and regular quality control maintenance guiding source.

Creating Exceptional Tiling Solutions That Suit Modern Demands

Add Depth Of Texture For Enhanced Elegance

The Elegant Collection brings to you the refined impressions of light on water, casting a poetic shimmer that transforms everyday spaces into serene escapes. This allure is deepened by exceptional craftsmanship and innovative surface punches that elevate subtle carvings into tactile experiences. Available in four distinct varieties, each form tells a story of texture, rhythm, and precision. This Collection is designed to catch your eye with every turn, bringing quiet elegance to every aspect of your spaces.

Carved Details For Every Space

Each piece in this Collection is built to endure daily use while enhancing any space. They're ideal for creating accent walls in bedrooms and living rooms, adding elegance to bathrooms, and as bold kitchen backsplashes, bringing an artistic touch to any space.

Resistant To Stress And Abrasion

Our products are resistant to stress and abrasion, ensuring long-lasting performance in tough weather conditions.

Resistant To Frost And Sudden Thermal Changes

Built to endure frost and sudden thermal changes, ensuring lasting durability.

Resistant To Bacteria And Fungi

Inhibiting the growth of bacteria and fungi, these surfaces maintain hygiene in your spaces.

Fireproof Surface

Stay protected against heat and flames with our surfaces.

Non-Toxic

Created with non-toxic materials, our products ensure health, while being mindful of the environment.

Chromatically Stable

Our products maintain their vibrant colors and appearance over time, even under challenging conditions.

Low H2o Absorption

With low H2O absorption, our products stay water-resistant, ensuring long-lasting durability.

Easy To Clean

Our surfaces are easy-to-clean, staying pristine with minimal maintenance.

Resistant To Acids

These surfaces resist the effects of acids maintaining their color and appearance for a long time.
