DESIGN INSPIRATION

DEEP.
PROFOUND.
SERENE.

The depth of nature is glorious, yet unexplored. And found in its core is a marble. These mineral stones encompass a world within them, that exudes the history of their creation and an elixir of distinctiveness; inspiring brilliance and grace.

Instill the unparalleled glory of nature with closer to nature alternative for marble, and realise the manifestation of the better of tomorrow and the best of yesterday, come alive in your spaces!

INTRODUCTION

The Collection

Curated from the fragments of natural marble, embodied in our ecological tiles, it is reinventing the modern-day lifestyle. It captures the essence of the stone in its surfaces and delivers you a replication that is boundless, easy to maintain, with lessened breakage, and much more.

As an ode to nature, these architectural surfaces come with astral features that provide you with the freedom to personally style any space, whether interior or exterior. So whether you are planning a renovation or new construction, these classics are here to stay.

Innovatively Designed

The exclusive collection imparts an elegant and timeless approach while providing an impressive and classic ambience to spaces.

Premium Size

The superior elegance of the collection paired with grandness imparts it with seamless applicability and an endless effect.

Improved Features

With a reduced need for maintenance, the surfaces offer lavish finishes to enhance the beauty of any applied area or space.

Higher Durability

The massive size of the collection is made from high-quality raw material and exhibits a robust thickness, which makes it more strengthened.

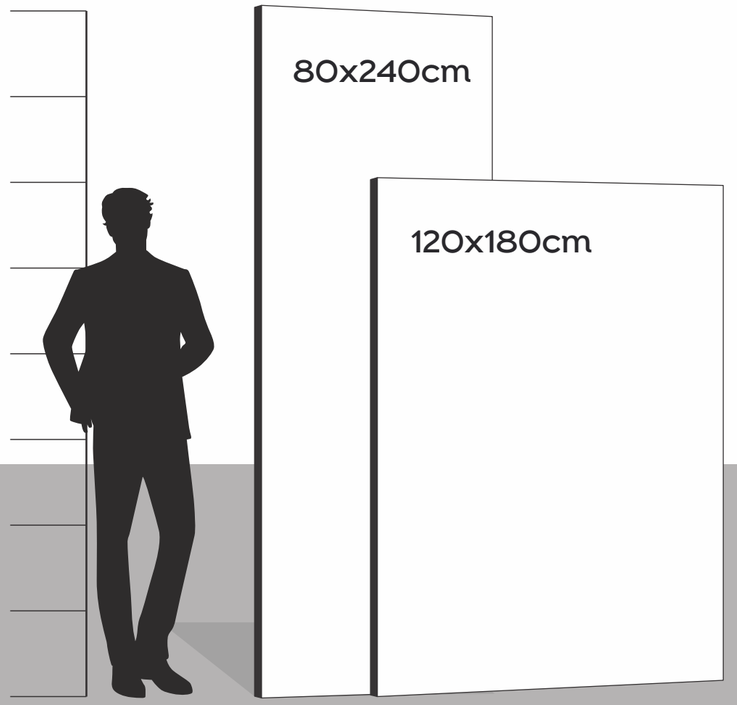

CORE TOUCHPOINTS

Developed keeping in mind the rise in demand for better alternatives to natural stone, Marbellous Collection introduced larger size, improved thickness, and body homogeneity, which gives a stellar appearance to any space.

Colossal Format — Immense Possibilities

Discover superiority that facilitates ingenious decor opportunities, without unflattering grout lines.

Better Density— Wider Applicability

With more sturdiness and a rustic approach, the tiles present extra strength for extensive use in both indoor and outdoor areas.

Exceptional Colour — Wholesome Tiles

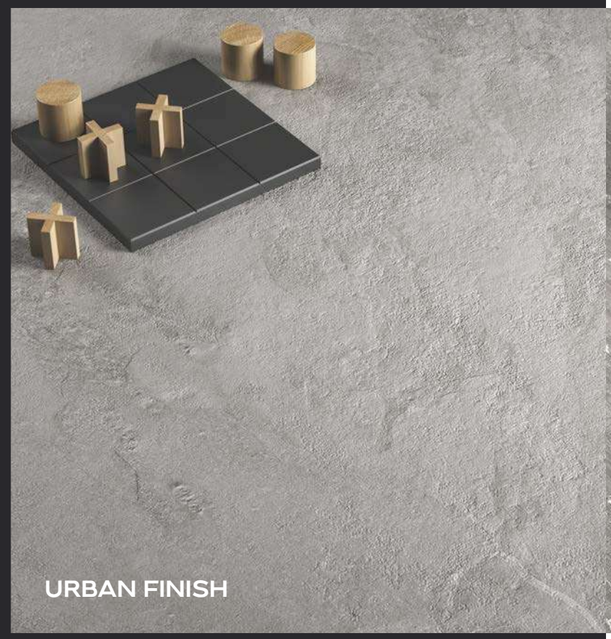

Meeting all decor needs with white, midgrey, and black homogenous tiles, make for a truly flawless tiling experience.

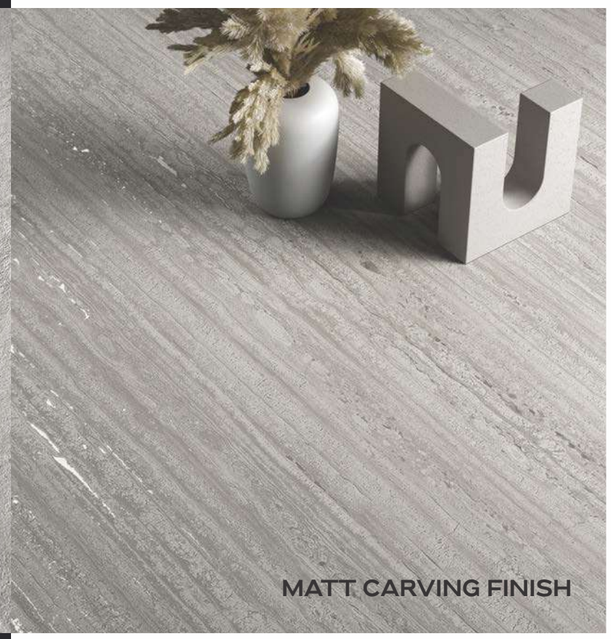

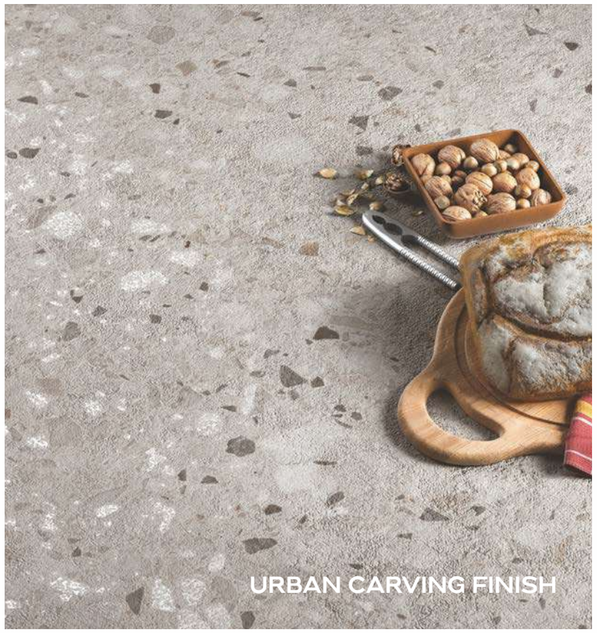

FINISHES

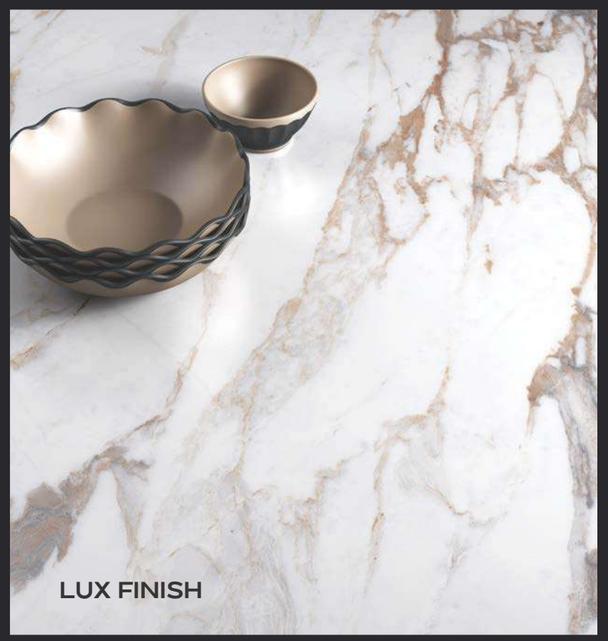

Raw Inflection - Outstanding Reflection

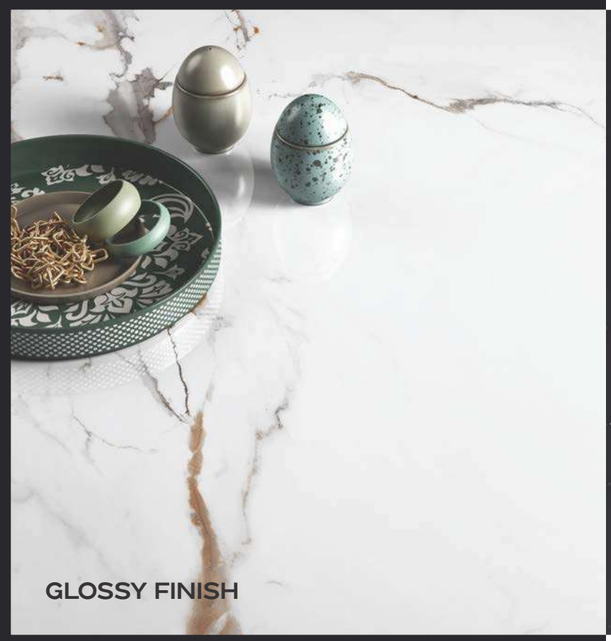

The never seen before is here with a splendid array of luxe, rustic, and punch finishes that tastefully dwell in any environment for any space. Reviving art and superior designs through surfaces, colors, and myriad textures, the Marbellous Collection adds a touch of glamour with elegance, a plethora of selections for your choice!

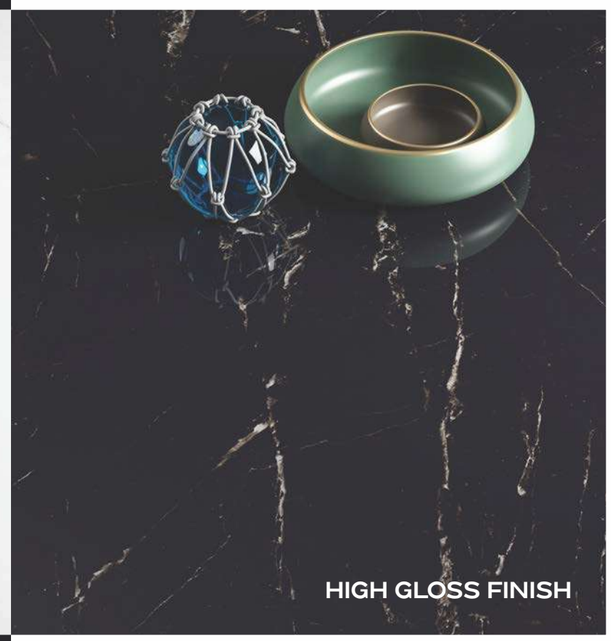

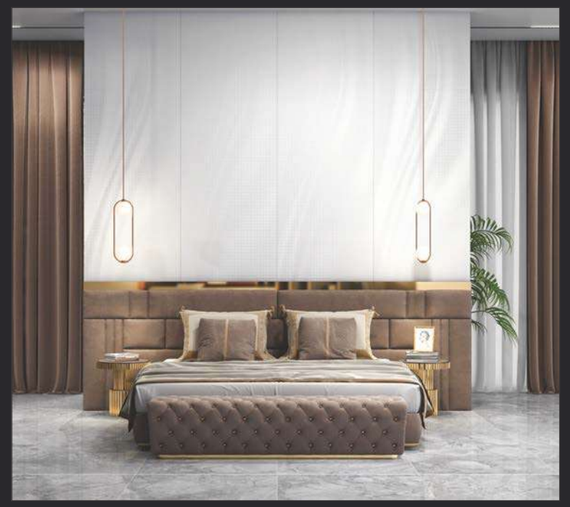

APPLICATIONS

Distinguished Symmetry - Improved Use

With ideal and multiple possibilities for both indoor and outdoor spaces; residential, commercial as well as public areas; the Marbellous Collections' limitless features, distinctive sizing, and magnificent application encourages functional and creative decor prospects along with functional elements for your spaces, and give seamless details and accents.

LIVING ROOM

Live magnificence within the grandeur of your envisioned living space which speaks the language of versatility, prominence, and exclusivity in the surfaces. The prolific range furnishes the opportunity for myriad applicability with tabletops, accent walls, stairs, fireplaces, and closet furnishing.

This prolific range of statuesque surfaces allows one to explore possibilities of floor and wall application, along with its use for furnishing through the tabletop, accent wall, stairs, fireplace, wardrobe, and other functional applicability/use.

FIREPLACE

CONSOLE TABLE

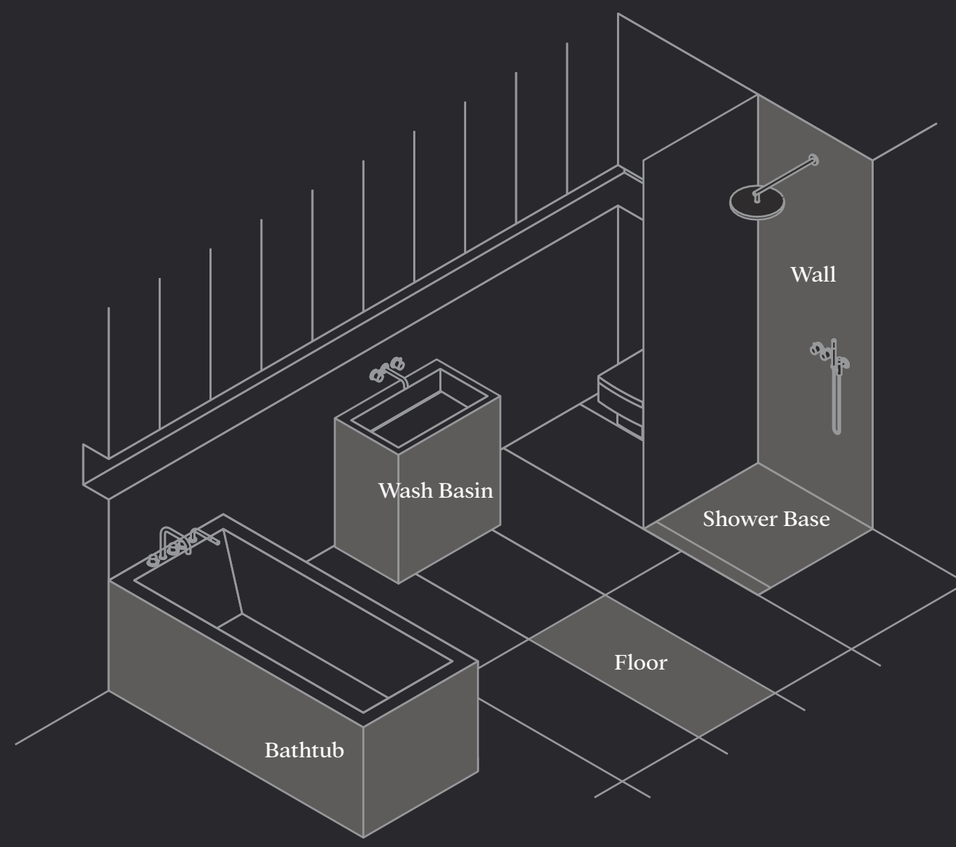

DINING TABLETOP

RESTROOMS

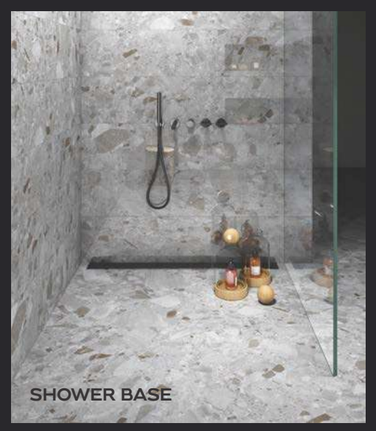

Ensuite the potential to blend wellness and relaxation at a single junction with unique seamless edges and uniquely detailed sanitaryware. The collection is great for floor-wall cladding your bath spaces as well as for shower bases, basin furnishing, tables, and much more.

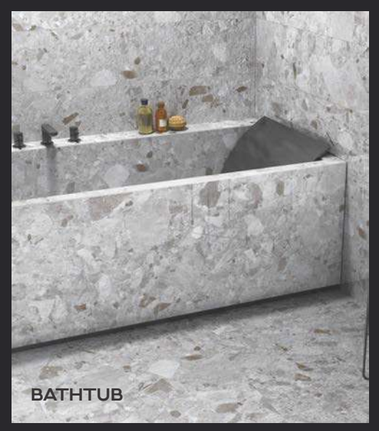

The functional, resilient, and aesthetic range of colossal slabs, facilitates the variegated product for creating splendid and utilitarian bath spaces. It allows one to design the place of your preference according to the mood and utility.

PEDESTAL_BASIN

SHOWER BASE

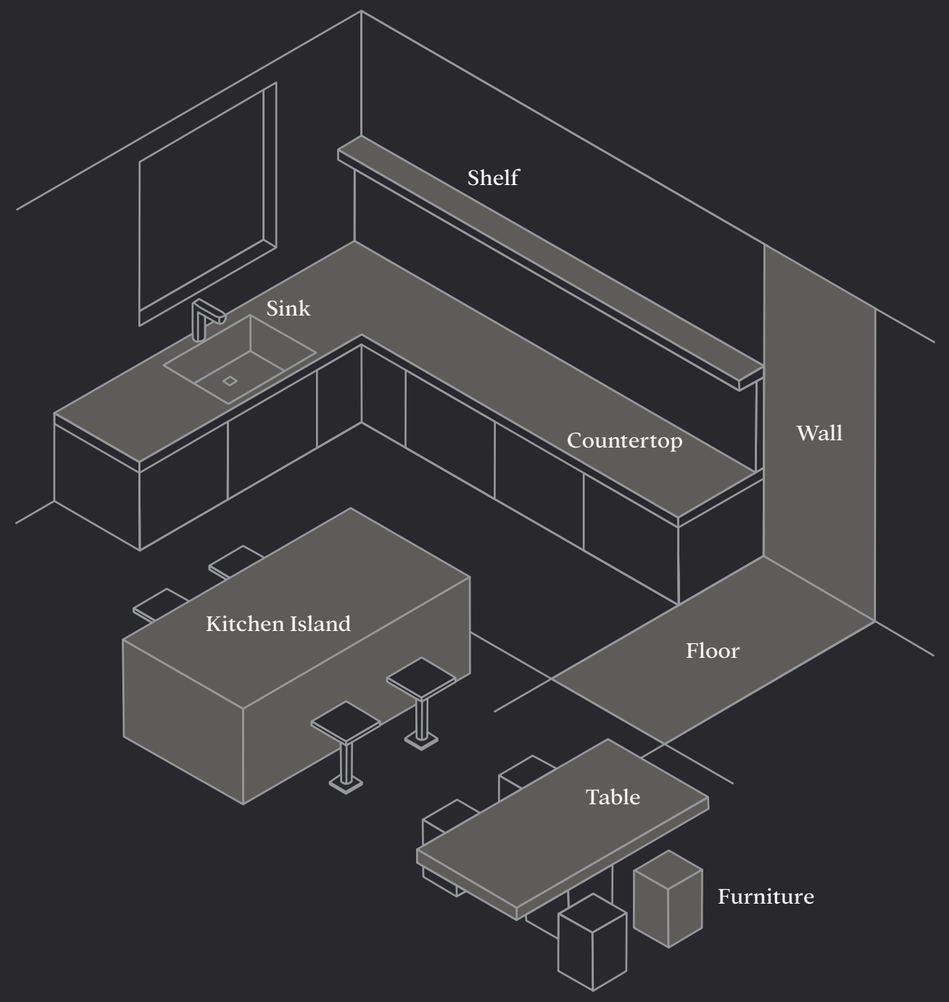

BATHTUB

KITCHEN/PANTRY AREA

Redefining the heart of your spaces with the exceptional and feature-rich range of colossal surfaces, their functionality is spectacularly devised for superior floor-wall cladding, kitchen countertops, backsplash, sinks, shelves, dining tables, island furniture, and beyond.

Diligently created, a practical and design-led choice, the area acts as the perfect blank canvas for inspired art; derived from patterned or coloured options, to shaped or simplistic, making a difference with a dream scheme.

KITCHEN SINK

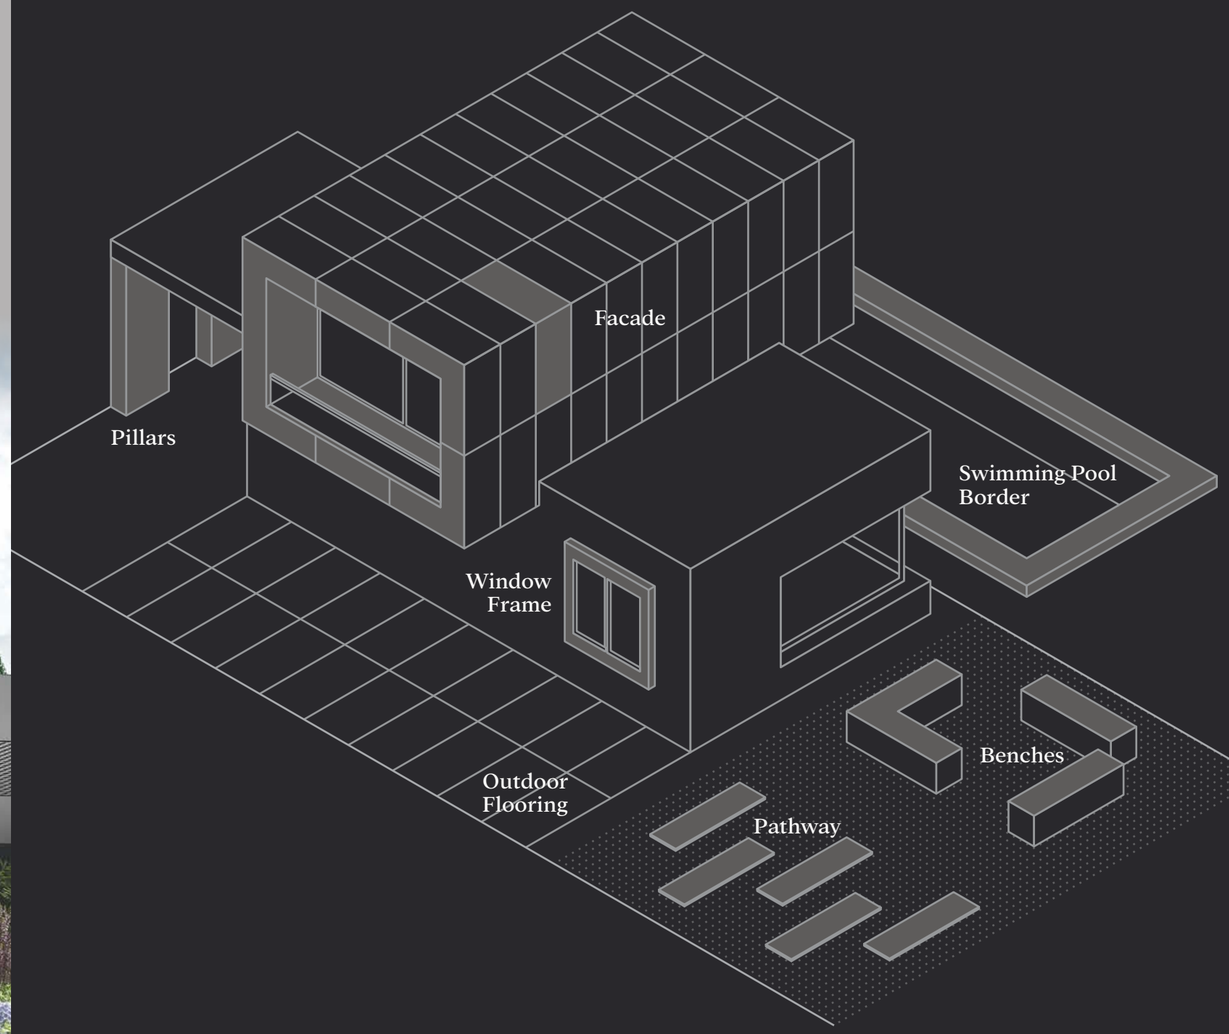

DINING TABLETOP

OUTDOORS

The versatility of robust collection also reaches external applications, because of its resilient attributes. Apt for outdoor flooring, facade cladding, pillars, pathways, benches, furnishing, and a lot more, the magnificent surfaces allow you to craft an aesthetic area.

Preferred over natural marble, the list of advantages of this product range is endless. From being stain and scratch-resistant to fairly low-maintenance tiles; their easy installation and no-fading approach to sunlight and varying temperatures make them distinguished.

CORPORATE OFFICE

Impression excellence on your visitors and team by setting up an ambient and welcoming environment for them and thereby, enhancing your space with utility and style. Maximise utilisation of the product from furnishing to frames, for both doors and windows.

Evoked from the texture and characteristics of natural stone, the product range is an expression of your sense of style at your workspace. One can easily experiment with their imagination through tile placement, colour blocking, or edgy shaping.

ADVANTAGES & FEATURES

Marbellous Collection with its outstanding size and manifold features is a perfectly stylish solution for functional and aesthetic spaces. Added to its designs and looks, it boasts some unique features that make it advantageous and feature-rich.

Safe

Ensure maximum protection from heat, fire, contact with food and scratches.

Resistant

Guarding your application towards food stains, frost, and water (rings).

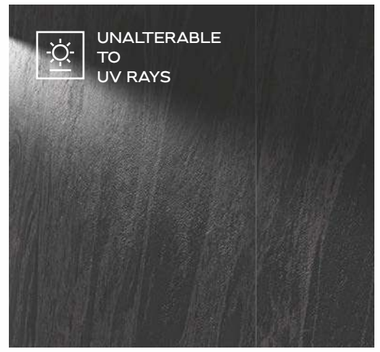

Hygienic

Achieve optimally clean application, at no extra care or minimal maintainance.

Sustainable

Made with ecological processes and eco-conscious materials, the products are a greener choice.

- IMPACT RESISTANT
- DIMENSIONAL STABILITY
- BENDING STRENGTH
- COLOR STABILITY
- ABRASION RESISTANT
- 100% NATURAL & RECYCLABLE
- LIQUID REPELLENT SURFACE
- EASY TO CLEAN

Standing true to the test of time, the superior collection is extremely resistant to heat, fire, scratches, stains, discolouration or colour alteration, frost, water, and/or any other strength and feature test, enabling it to remain as good as new. Additionally, the surfaces of the collection are developed in such a way that they are hygienic and easy to clean.
